

Dementia Map

Benefits of Joining

There are many benefits to being a member of the Dementia Map community. Be a part of a well designed and easy-to-use platform!

Visibility

- Participate on a FREE or LOW-COST basis, eliminating any financial barriers.
- Expand your brand footprint and increase traffic to your resources through listings, banner ads, blog posts, events, and more - all available 24/7.
- Be found through many search methods, from simple search terms, to listings in any one of the many categories, to a fully interactive map to highlight your physical locations.
- Allow your target markets to connect with your organization directly with no middleman leveraging referral fees or affiliate agreements.
- Built-in social media sharing tools allows you to easily share with your community and for visitors to share with theirs.

Event Promotion

- Easily communicate your organization's events to your target market.
- Prevent scheduling conflicts by seeing what's already scheduled globally.

Ease of Use

- Independently create an account and pay online.
- Secure credit card processing using Stripe, the industry leader.
- Easily update your account details as needed to reflect changing business needs.
- Use Dementia Map to share educational information and resources with your staff, clients, and families.

Raise your leadership position by participating in a global effort to share resources and improve dementia care around the world.
